Build Health Overview

A quick overview of build quality, stability, and key test metrics.

Build Health

- Build status: {{buildStatus}}
- Quality trend: {{qualityTrend}}
- Risk level: {{riskLevel}}

Release Readiness

{{releaseReadiness}}

Build release score {{buildReleaseScore}} / 100

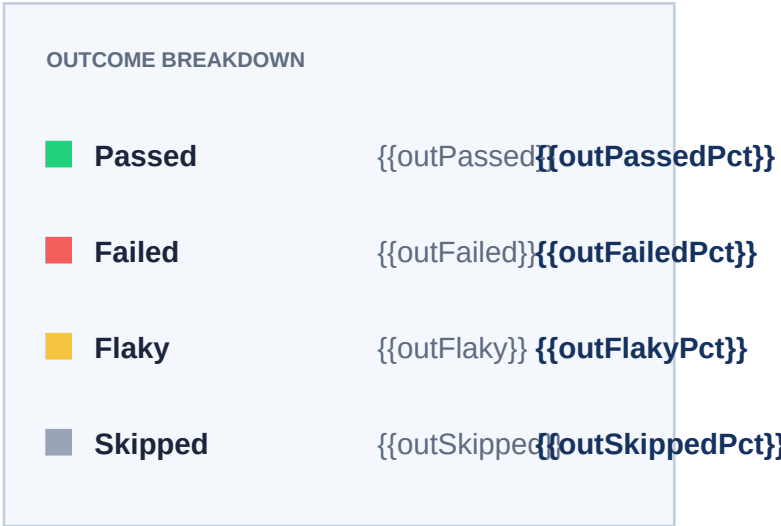

{{readinessSummary}}

Quality & Test Suite Overview

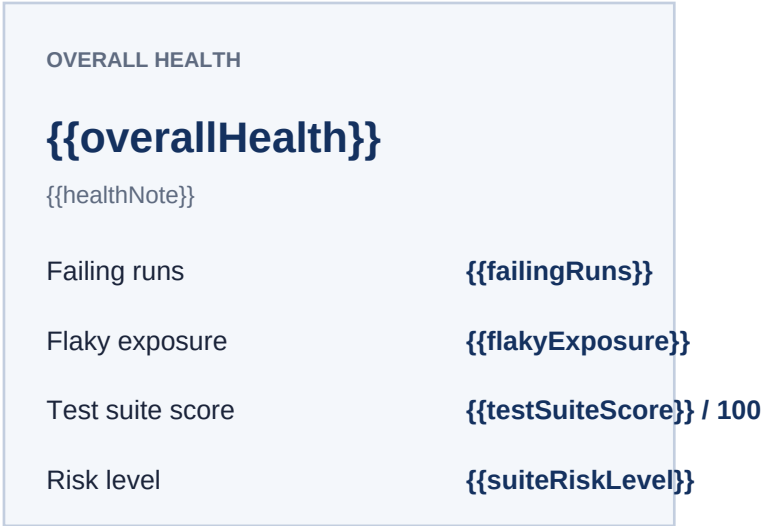

Trend insights, outcome composition, and run success across the runs in scope.

Trend Area	Metric / Insight	Reference
Pass Rate Trend	{{passRateInsight}}	Dashboard
Build Success Trend	{{buildSuccessInsight}}	Dashboard
Execution Duration Trend	{{durationInsight}}	Dashboard
Test Growth Trend	{{testGrowthInsight}}	Dashboard

Outcome Composition

Run Success Rate

Execution Trends

Pass rate, failures, flaky signals, and duration across recent runs.
